The Health Plan of West Virginia Partners with Charleston Area Medical Center

Wheeling, WV – The Health Plan is proud to recognize its renewed decade-long partnership with Charleston Area Medical Center (CAMC) in Charleston, WV. This renewal ensures all persons insured through The Health Plan will have no gaps in coverage at CAMC facilities.

All lines of business, including WV Medicaid, SecureCare and SecureChoice Medicare Advantage, PEIA, Commercial Groups and Self-Funded Groups, of The Health Plan will continue to have in-network access to this award-winning hospital and its services in West Virginia.

“CAMC shares our dedication to better health. They offer a complete range of top-level services – including one of the top heart programs in the United States,” said Jason Landers, Senior Vice President of Provider Delivery Services at The Health Plan.

The Health Plan is thrilled about this renewed partnership with CAMC and excited for a collaborative future – bringing the best care to patients. For more information, visit healthplan.org or camc.org.

About The Health Plan

The Health Plan (www.healthplan.org), a not-for-profit, West Virginia-based organization that employs over 550 people and insures over 200,000 individuals across the country, is a clinically driven, technology-enhanced, and customer-focused health maintenance organization that manages and improves the health and well-being of its members. Established in 1979, the West Virginia-based company, with offices in Wheeling, Charleston and Morgantown, West Virginia and Massillon, Ohio offers a complete line of managed care products and services designed to provide health care systems and clients with innovative health care benefits and plans at a reasonable cost across the mid-Atlantic region and nationally.

About CAMC Health System and CAMC

The CAMC Health System was created in 1984 to meet the challenges of providing the highest level of health services to West Virginians, pulling together several hospitals with a history of community service dating back to 1895. Nearly 7,000 people work for companies within the CAMC Health System at multiple sites. CAMC Health System is the non-profit parent corporation of multiple hospitals and health care companies. CAMC is the flagship of the CAMC Health System and includes CAMC General Hospital, CAMC Memorial Hospital, CAMC Teays Valley Hospital and CAMC Women and Children's Hospital.
