

Diabetes
Education & Camping
Association

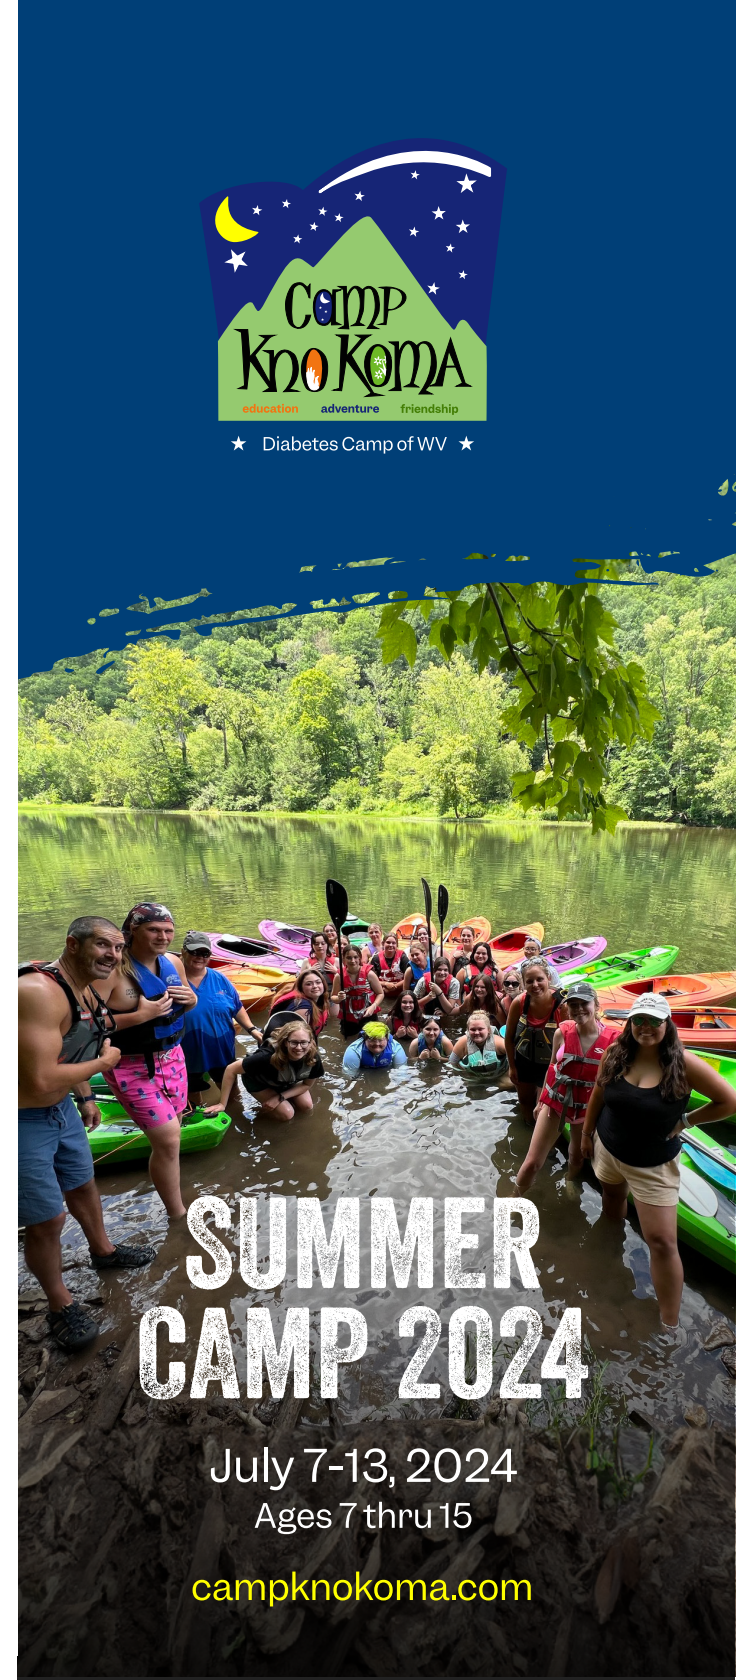

Every year the people of West Virginia donate time, money and supplies so that children can attend Camp Kno-Koma. The Board of Directors would like to thank the organizations and individuals who have generously contributed to Camp Kno-Koma. Thank you for making a difference in the lives of these children. An extra special thanks goes out to our major donors, including the Alpha Delta Kappa, Independent Order of Odd Fellows, and Lions Clubs of WV. Appreciation is also given to Aetna Better Health of WV, The Health Plan, and Unicare for sponsoring their members.

DIABETES HAS ALWAYS BEEN A DIFFICULT DISEASE TO DEAL WITH, BUT FOR CHILDREN IT IS A MAJOR CHALLENGE. ONE OF THE MANY GOALS OF CAMP KNO-KOMA IS TO PROVIDE A SAFE ENVIRONMENT FOR DIABETIC CHILDREN WHILE PROMOTING AND IMPROVING THEIR SELF-CONFIDENCE. IT PROVIDES AN INVALUABLE OPPORTUNITY FOR CHILDREN WITH DIABETES TO GAIN SKILLS IN MANAGING THEIR DISEASE WITHIN A SUPPORTIVE COMMUNITY.

OUR MISSION

The mission of the Diabetes Camp of West Virginia, Inc. is to serve as a non-profit organization with the goal of providing Camp Kno-Koma, a summer camping experience for children with diabetes in and around the state of WV. Camp Kno-Koma believes that there are 3 basic principles to a great camp experience: Adventure, Education and Friendship. Camp Kno-Koma has remained steadfast in these principles for over 70 years.

The physicians, nurses, pharmacists, dieticians, and other medical support staff and counselors will let mom and dad rest easier and have peace of mind during their child's camping adventure. These health professionals realize the need for close medical supervision and they make it their #1 priority, so the camper can make having fun their #1 priority. Campers also take an active role in making decisions about their care under the supervision of the medical staff. Staff use "teachable moments" to introduce campers to new diabetes skills or fine tune their existing skills.

Summer Camp Fees

Camp costs approximately \$550 per camper; we are able to offer subsidized rates for camp due to the many donors that support our program. We extend our gratitude for all the donors that make camp possible!

In-State Residents - \$200

Out-of-State Residents - \$325

(Out of State Residents which either reside in counties which border WV or who are serviced by WV Healthcare Agencies are considered In-State Residents). Limited camperships are available to families who qualify. Scholarship forms must be completed to determine eligibility. Priority is given to West Virginia residents. If no form is submitted we will assume no aid is needed.

Deadline to apply for Camp Kno-Koma is June 1st. Applications after the June 1st deadline will be put on a wait list and the child will only be accepted to the camp on a case by case basis.

Registration is to be completed on-line. For more information and to register your child to attend Camp Kno-Koma visit our web site at www.campknokoma.com
