

The Health Plan Sends Students to “Grand Slam School Day”

CHARLESTON, W.Va.— May 12, 2023 – The Health Plan (THP), a West Virginia-based managed care organization (MCO), sent Grandview Elementary School students to the Charleston Dirty Birds' first Grand Slam School Day of the season on May 10, 2023.

THP provided tickets and lunches to students and staff in attendance, allowing the group to focus on a fun-filled day at the ballpark.

“Through this sponsorship and many others, The Health Plan team hopes to inspire students to pursue active and healthy lifestyles,” said Jeff Knight, president and CEO of THP. “We believe by partnering with Grandview Elementary to provide experiences like this, we can help foster a culture of health and wellness in the community.”

As Grandview Elementary's Partner in Education, THP supports staff and students year-round by sponsoring special events for the school.

“We are so appreciative of what The Health Plan has done for us this year - it has made such a difference to have their team be a part of our school family,” said Misti Steed, principal of Grandview Elementary School. “We are grateful for this partnership!”
