

Core Communication 8.10.2022

Medical Policy Bulletin

The Health Plan will implement two medical policies on September 12, 2022.

- Medical Policies: Experimental/Investigational Services -- **Annual Review Complete**
- Intraoperative Neurophysiological Testing -- **New**

Affected lines of business are outlined on each policy. Review a full summary of changes for each [here](#).

Where can THP Medical & Payment Policies be found? 

Visit The Health Plan's Provider Resources page [here](#). Choose Policies.

The following sections are available for both policy types:

- **Current** – The most recent version of a policy
- **Archived** – Outdated versions that have been replaced by a new version
- **Retired** – Policies that are no longer in effect
- **Provider Notifications** – Houses previous Provider Core Communications

Any Medical Policies that are currently in the Provider Portal will be relocated to one of the above sections as annual reviews are completed.

If you have any questions, please contact provider customer service at 1-877-847-7901.
