

Available now:

New healthcare services by phone or video

You have new Teladoc services as a part of your health benefits. You can now access these services to connect with U.S.-licensed providers by phone or video, confidentially, from anywhere you are.*

Your Teladoc services:

General Medical

Talk to a U.S.-licensed doctor 24/7 for non-emergency conditions like the flu, allergies, coughs, sore throats, rashes and more.

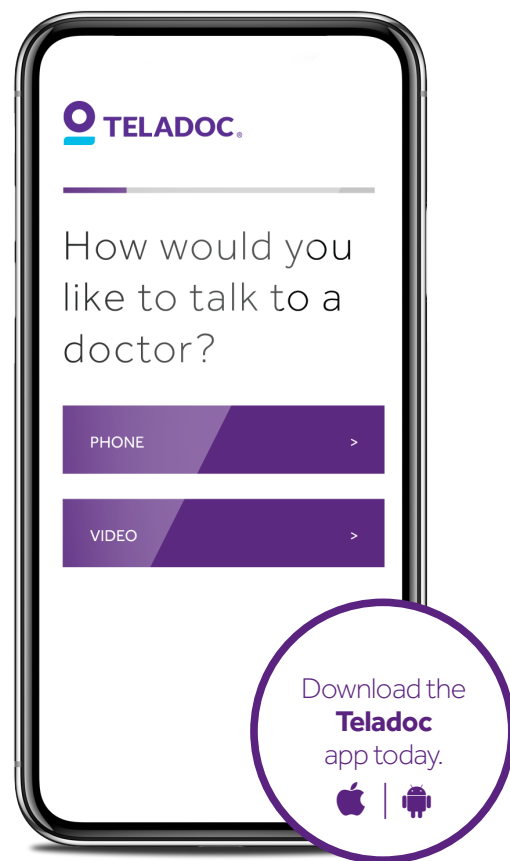

Mental Health Care

Talk to a therapist or psychiatrist by appointment 7 days a week (7 a.m. to 9 p.m. local time) by phone or video for depression, anxiety, stress and more.

Dermatology

Diagnose and treat skin conditions like eczema, psoriasis, acne and more through images you upload. You can also ask follow-up questions after your consult for up to 7 days.

*Teladoc is not available internationally.

Don't miss out on secure healthcare from anywhere!
